Lancashire Service Finder

Find the help you need, all in one place

Lancashire Service Finder is an online directory that brings together support services from across Lancashire. It makes it easier for you to find the right help, when you need it.

What is Lancashire Service Finder?

- A simple and easy way to find local support
- Available to people of all ages
- Includes a wide range of services across Lancashire

Whether you're looking for help for yourself, your family, or someone you support, Lancashire Service Finder can point you in the right direction.

Who can use it?

- Residents across Lancashire
- Professionals supporting others

You can use it in your everyday life, or as part of your work, to quickly find services and get the right support.
